

We are honored and excited to announce that we have been chosen to participate in a special charitable giving campaign, sponsored and funded by Target. And you have the chance to help direct a portion of Target's donation to us!

Now through December 31st, vote for us through the Target Circle program to help determine how Target's donation will be divvied up. Find out more about Target Circle here: [www.target.com/circle](http://www.target.com/circle)

We're asking our supporters to help us make the most of this incredible opportunity. Every vote counts to help us receive a portion of the available Target funds as we continue our mission to protect public health, improve air quality, and prevent climate change.

Don't forget, as you earn more votes, you can keep voting multiple times during the campaign!

Thank you for your support, and we encourage you to share your support for us (and your thanks to Target) on social media throughout the duration of the voting!

Please read below for a step-by-step guide to the voting process. It's easy, we promise!

### Step 1:

Go to [www.target.com/circle](http://www.target.com/circle) and sign into your account. Note: if you haven't signed in before, you can do so using the phone number you use during checkout.

### Sign into your Target account

Email or mobile phone	
Password	<a href="#">show</a>
<input type="checkbox"/> Keep me signed in <small>By checking this box you won't have to sign in as often on this device. For your security, we recommend only checking this box on your personal devices.</small>	
<b>Sign in</b>	
<a href="#">Forgot password?</a>	
Create your Target account	

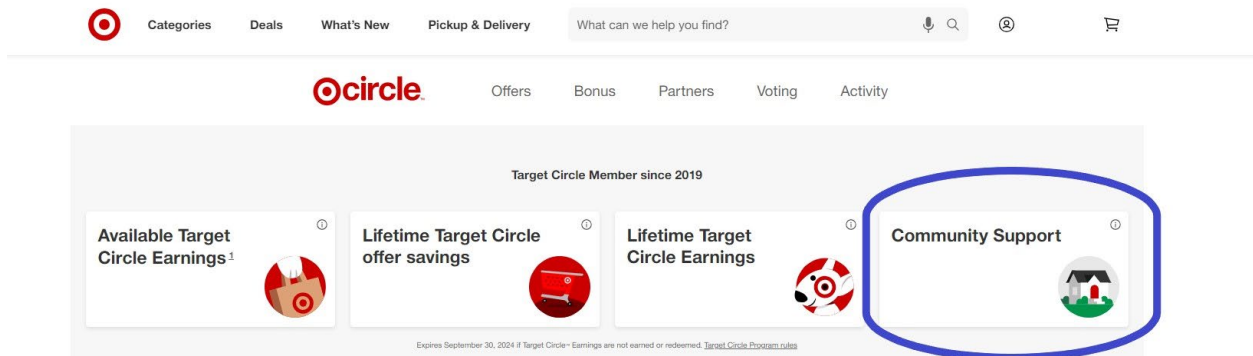

By signing in, you agree to the following:

[Target terms and conditions](#)

[Target privacy policy](#)

## Step 2:

When you sign in, you'll see your homepage. Click on the category titled "Community Support" indicated by the blue box on the screenshot.

## Step 3:

Enter the number of votes you'd like to give to the Coalition for Clean Air and hit the "Cast Votes" button!
