L.A. Business Council's Sustainability Summit

REGISTER NOW

Friday, Sept. 6th
7am - 3pm

TOWN AND GOWN,
UNIVERSITY OF SOUTHERN CALIFORNIA

Join us on September 6th at USC for the **Los Angeles Business Council's SUSTAINABILITY SUMMIT** in partnership with USC President Dr. Carol Folt, USC Sol Price School of Public Policy, and the USC Schwarzenegger Institute for State and Global Policy.

This year's Summit will focus on meeting California's goals and will include offshore wind, a new hydrogen hub designation, expansion of the western energy market and new regional transmission. It will also focus on advancing toward zero emission transportation, managing water resources, and how to best capitalize on the billions of dollars of federal incentives and the private capital markets.
